# What We Do

# Community Involvement

- Repair fairs
- Community tech help
- Donations to local organizations

**Since 2006, we have recovered and donated**

**3000+** desktop computers

**850+** laptops

**2100+** monitors

**Countless** pieces of related equipment (keyboards, mice, etc.)

And we couldn't do it without volunteers like **YOU!**

# What You'll Take Away from CCRA

- Learn how to repurpose and troubleshoot computers
- Learn how to work with community members and external partners

- **Divert old computers from the landfill and give them a second life**
- **Increase digital literacy in underserved areas**
- **Promote reuse and repair of electronics**

Cornell Computer  
Reuse Association

# Thank You!
